ABOUT US

PRIVAT HOSPITAL

Dr. Kalyan Singh Sachdev established Privat Hospital in the year 1995. Since its inception, the brand has been keeping up with the latest trends and developments in the medical fraternity.

Retracing the small steps and our humble beginnings, the hospital was the premier multi-specialty hospital in Delhi NCR, the first of its kinds, which paved the way for our future.

Over the last several years, we have added more and more unique service offerings to our portfolio and also built a wide array of support services.

Our core mission as a healthcare group is, to make medical and assistance services, available and accessible to everyone, as best possible.

ABOUT US

PRIVAT HEALTHCARE GROUP

In our search for a more comprehensive cover of our services, we have extended our investments since the early 2000s into services, which are vital and form a backbone to provide emergency medical services and overall healthcare services for individuals, corporate clients and government contracts.

PHG or the Privat Healthcare Group can be classified as operational, in the following divisions:
